

Parents and students now have access to report cards via the PowerSchool Parent Portal.

NOTE: The report cards will not be available via the mobile app, only through a web browser.

The screen shot below is what the parent/student will see in the portal.

Parents, if you have more than one student in your Portal account, be sure to select the appropriate student from the list in the black bar at the top.

The screenshot displays the PowerSchool Parent Portal interface. At the top, the PowerSchool logo is on the left, and the user is logged in as 'Welcome, _____' with links for 'Help' and 'Sign Out'. Below this is a dark navigation bar with student names: Robert, Aniruth, Laura, Steven, Daniel, Daniel, and Noah. A red arrow points to 'Robert' with the text 'Click on student's name'. To the left is a 'Navigation' sidebar with icons for Grades and Attendance, Grade History, Attendance History, Email Notification, Teacher Comments, Report Cards, Balance, and Account Preferences. A red arrow points to the 'Report Cards' icon with the text 'Select this icon'. The main content area is titled 'Report Cards' and contains the following text:
