Dear Parent,

Students, parents, and teachers across Illinois will have an opportunity to participate in the seventh annual statewide Illinois 5Essentials Survey between now and February 15th. This survey is designed to generate a detailed picture of the inner workings of your student's school and gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

All Middle School North students will be participating in the 5Essentials survey the week of January 28th.

Additionally, Hawthorn District #73 has chosen to provide the optional Parent Supplement survey. Your participation in the parent portion of the survey will help us understand the conditions at your student's school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your student. To take the survey please visit <https://survey.5-essentials.org/illinois/> and select the appropriate survey to begin.

For more information about the Illinois 5Essentials Survey, or to view previous years' Reports, please visit <https://www.5-essentials.org/illinois>. If you have any questions or concerns, please contact 5Essentials Client Services at 1-866-440-1874 or 5essentials@uchicago.edu.

Sincerely,
