### Welcome Back 2019-2020

Welcome to Hawthorn Middle School North!

It is my honor to celebrate twenty-eight years in education and eight years as Principal of Hawthorn Middle School North.

At Hawthorn Middle School North, it is our mission to meet the needs of all students...cognitively, socially, and emotionally.

*What do we believe in?*

All students will be challenged in a safe and positive environment.

Guaranteed and viable curriculum for all...opportunities for ALL students.

Our personalized learning will focus on student agency...learning through activities which are meaningful and relevant to students, driven by their interests, and often self-initiated with appropriate guidance from certified educators. Students will take ownership of his/her learning and demonstrate his/her knowledge.

I encourage parents and guardians to contact their child's teacher at any time throughout the year. Parents and guardians are always welcome to contact my office or the office of the assistant principal.

This is an exciting time for students at Hawthorn Middle School North. I encourage and challenge students to get involved in the many extra-curricular activities Hawthorn School District 73 has to offer.

Check out our web site! There is a lot of information located on the MSN website!

ALL MSN teachers will be using Canvas...details will come from your child's team.
